Acknowledgements

It is not often that families lay to rest two loved ones at the same time. It goes without saying that this is a trying time for our family. However, because of the outpouring of love, support, prayers, text messages, phone calls, social media post, visits, cards, flowers, and all expressions of kindness shown to us during the passing of our loved ones, we will make it through this time. We deeply appreciate all that you have done. We are humbled and we feel the love. Thank you so much for caring for us. It is appreciated! Please continue to remember us in your prayers.
